BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF MT. OLIVET)	CASE NO. 9918-PPP
NATURAL GAS COMPANY, INC.)	

O R D E R

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On March 13, 1991, Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") notified the Commission that its fixed monthly demand surcharge was decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective March 10, 1991, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mt. Olivet's notice of March 13, 1991 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on the wholesale decrease in the fixed monthly demand surcharge from \$165 to \$32 per month,

resulting in an annualized decrease of \$1,596 or 3.91 cents per Mcf.

2. Transmission applied with the Federal Energy Regulatory Commission for decreased surcharges to be effective March 10, 1991. The effective date for the decrease should be on and after March 10, 1991. Transmission's rates are subject to refund; hence, Mt. Olivet's rates should be subject to refund.

3. The adjustment in Mt. Olivet's rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after March 10, 1991, subject to refund.

IT IS THEREFORE ORDERED that:

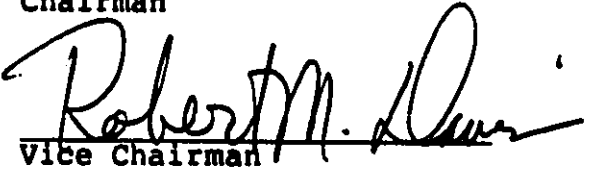

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after March 10, 1991, subject to refund.

2. Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.
